Dear

We've been enjoying another spectacular Fall season in the Berkshires.

If you didn't catch the foliage, there is still time to take in some great conferences in New England. You'll also find two webinars you may attend in the comfort of your own office!

For details, view my upcoming coming Speaking Engagements below.

Please stop by to say hello if you're attending any of the conferences. I'd love to see you!

Sincerely,

*Abbie*
